

# Compliance Hotline (Security/Compliance/Employee Experience)

Provides anonymity to incoming callers to the company's compliance hotline. Most companies midsize and up have them.

## Benefits

- Better experience for callers
- Voicemail storage with Vonage Business Cloud
- Protect user privacy
- Gain new insights

## How **Smart Numbers** Can Help

- Create a local presence
- Hide caller ID
- Text to speech
- Connect to transcription service of your choice with websockets
- Pay for what you use
